

# WATER & SEWER SUPPLY MATERIALS

## PIPE

- Ductile Iron
- HDPE – Fusible
- PVC (Pressure, Sewer, Sch 40 & 80)
- Service Tubing (Copper, PE) Plastic Storm Drain
- Dual Wall

## VALVES

- (NRS, OS&Y, Power Actuated, Standard Body Configurations: Cast Iron, Stainless, Steel, Brass)
- Gate (RS, DD, Knife, etc.)
- Indicator Posts
- Butterfly Valves
- Plug Valves
- Check (Swing, L&W, L&S, Wafer)
- Air/Vacuum, Control
- Pressure Reducing
- Altitude Control
- Tapping Valves and Sleeves
- Parts and Accessories

## PRECAST

- Precast Drainage Structures (Stormwater / Waste)
- Precast Manholes with Castings, Frame & Covers
- Precast Pipe
- Noise Walls

## FITTINGS

- Ductile Iron (Compact and Full Body)
- Custom HDPE Fabrication
- HDPE
- Brass
- PVC (Sewer and Pressure)
- Joint Restraints

## HYDRANTS

- Flushing Connections
- Fire Hydrants
- Parts and Accessories

## WATER METER

- Residential
- Commercial
- Irrigation
- Fireline
- Hydrant
- AMR/AMI Systems
- Handheld Meter Reading Equipment

*\*Manufacturers depend on the branch / job location. Each branch has their own lines negotiated*
